

USISPF Statement on the India-UK Free Trade Agreement

The U.S.-India Strategic Partnership Forum (USISPF) congratulates the governments of India and the United Kingdom on finalizing a landmark free trade agreement. This milestone reflects a shared commitment to strengthening economic ties and fostering inclusive growth.

As India broadens its global trade engagements, USISPF remains optimistic about the progress in U.S.–India trade negotiations on a Bilateral Trade Agreement (BTA). Recent high-level exchanges reaffirm both countries' commitment to first conclude an interim reciprocal tariff deal and build on that in BTA negotiations. We encourage continued momentum toward a comprehensive agreement that will unlock new avenues for investment, deepen economic relations, and enhance people-to-people ties.
